Career Objective

To utilize my strong communication skills, technical expertise in web development, and creative abilities in UI/UX to deliver impactful projects. I aim to contribute to innovative software and design solutions while fostering leadership and collaboration within a dynamic team environment. Jul 2001

Education

GMR Institute of Technology, Rajam Oct 2022 – Present
B.Tech in Computer Science Engineering, CGPA: 9.0/10

SASI Junior College, Visakhapatnam Jun 2020 – Mar 2022
Intermediate in MPC, Marks: 966/1000

Internship

HashTek Solutions, Visakhapatnam Jun 2024 – Jul 2024
Cloud Computing Intern

- Completed a 4-week offline internship on Cloud Computing using AWS services.
- Gained hands-on experience with key AWS tools including EC2, S3, IAM, and Lambda.

Projects

AYUSH Startup Registration Portal
Technologies: React.js, Node.js, Express.js, MySQL

- Developed a web-based portal to simplify registration for AYUSH startups.
- Implemented a user-friendly interface with digital forms, document uploads, and real-time status tracking.

Medicine Reminder & Tracker
Technologies: MongoDB, Express.js, React.js, Node.js (MERN Stack)

- Built a MERN stack application to help patients manage their medication schedule.
- Users can add medicines with dosage, time, and reminders; notifications ensure timely intake.

Fingerprint-Based Out Pass Generation System
Technologies: React.js, Node.js, Express.js, MySQL

- Created a biometric-based out pass system for hostel students using fingerprint authentication.
- Enabled secure, real-time pass issuance with email and SMS notifications.

Technical Skills

- Languages:** C, Java, Python, Data Structures
- Front-End Development:** HTML, CSS, JavaScript, React JS, Angular JS
- Developer Tools:** VS Code, Figma, Canva
- Database:** MySQL

Certificates

- Object Oriented Programming in Java – Coursera
- Python Essentials 1 – Cisco Networking Academy
- Smart India Hackathon Grand Finale – Participation Certificate
- Cloud Computing with AWS – HashTek Solutions

Achievements

Smart India Hackathon Grand Finale 2024
Finalist – National Level Hackathon Government of India Initiative
